FOOTBALL, '40

The purple-shirted Vikings fought tenaciously through the football season. They failed to win one league game although the last three games showed much improvement. North and won one game, which was with Arvada. Toward the middle of the season, Coach Jack Evans divided his squad up into two senior teams and one junior team. This proved to be a better plan, and the Viks scored their first touchdown against East and in the last game of the season almost downed Manual's Bricklayers.

The team failed to place a man on the mythical all-city team but Armand DeSaverio, end; Tony DeRenzo, guard; and Joe Carpinello, back, gained recognition for their play by making honorable mention.

Many promising Juniors will be back from this year's varsity, and Coach Evans is counting on a fair season for the Viks next year. Promising Juniors are Jay Hooper, back; Ted Warshauer, back; and Joe Klane, tackle.

(Write ups in this section were written by Bob Fugerton, sports editor of the "North Star.")

Right: DeSaverio makes a nice tackle.

Below: Hooper breaks into the clear.

Right: Stuckey hits the center of the line.

BASKETBALL, '41

After a poor start that saw the Vikings beaten in the first league game of the season, the tables turned and North beat East, South Manual, and West before finally bowing to the Angels.

The first East game was a thrill packed affair that ended up with Dick Binder hitting a long one that meant the difference 20-18. The game served to inspire the Viks, and Keith Young came through in the South game with a set-up that won for North, 32-30. Manual's weak team went down without a battle and West, the team that beat North early in the season, was the second victim of Dick Binder's shooting, with the final score 19-15.

East came from behind to gain revenge in their second meeting and two foul shots by Tupper Smith won the game 32-30. South was expected to give the Vics a battle but was coast and went down 35-21. In the first game of the city league Manual was edged 24-28, with some great shots by Chuck Martin helping the North cause.

Pup Friedland, Dick Binder, Keith Young and Paul Wells were honored by being chosen as outstanding players.

STATE TOURNAMENT

The Norsemen didn't fare too well in the State Tournament and were beaten in the first game, 42-30 by Colorado Springs Terrans. The loss of Harold Friedland was felt to a great extent by the Vics. North did manage to go to the finals of the consolation tournament but was beaten in an over-time game, 32-28, by Canon City.

The baseball season started with gloom but almost ended with the Vik's fifth championship. Two disappointing losses to Manual and West were the Norsemen's lot in the first two games, but they came back to lick the league, leading East Angels 6-5 and continued their winning streak the next three games. A victory over the Angels in their second meeting would have assured the Viks of a tie for first, but it was East's day and the Norsemen went down to defeat.

by a score of 7-2. The last game of the season was a muddy affair that North lost 4-3 to South after five innings. It meant that the Vics split even with all teams—defeating each one once and losing to each one once. It was the most disappointing season in years as the Vics lost four games. Dutch Hanel, Pete Fallico, Joe Pontarelli and Alex Fisch were chosen all-city.

WRESTLING, '41

Furbee demonstrates his skill and technique.

The wrestling team won the city and state championships for the third straight year under the tutorage of Coach B. O. Molas and gained a lasting name for the school. The Vikings went through the city league with comparative ease, having only one tough match, that one with East.

Outstanding members of the team were: Robert Weber, 95 pounder; Bob Harvat, 125 pounder, who was all state in 1939 and 1940 in lighter weights; Vic Fentress, 150 pounder; and Bill Beeton, 175 pounder. All of these men were all city in their respective weights and Weber was all state, the only boy to gain recognition on the all state team in North. Other members of the team who helped considerably in the state tournament were: Bob Lunow, Walt Furbee, Irv Nelson, and Joe Klune. The outlook for next year is encouraging with five lettermen returning.

TRACK, '40

Last year's track team ranked high among those of previous years. The event in which the squad members starred was the two-mile relay.

The relay team was composed of Mike Lombardi, Bob Castle, Bert Alexander, and Harold Deist. This group of tracksters took first place honors at the Boulder relays and second place at the Colorado College relays.

Mike Lombardi, North's star track man, had been on the track squad since his sophomore year. In last year's meets he took all-state and all-city in the half mile.

Jack Kiddie, a hurdler, piled up points in the dual and triangular meets in the city but was injured in the preliminaries.

Bergren does a swan.

The North tanksters splashed through the season, finishing third in the City Meet and won two of its four dual meets with the other Denver schools. Nelson Bergren was North's high-point man, earning 35 points for the season and placing second in the city's individual medley event. The Angels from East Denver repeated their championship performance again this year, breaking five city records and earning 38 out of a possible 40.

Seven letters were awarded this year. The "D" wearers are: Wayne Miller, Nick Aiello, Dave Hughes, Nelson Bergren, Melvin Pembridge, Roy Avis and Tom Sebastian.

Four of the men will return to next year's squad.

TENNIS

North's tennis team finished up a hotly contested season in third place. It was one of the most bitterly fought races in the history of the league.

East, repeating last year's performance, took first. South, second. North, third; West, fourth; and Manual, fifth.

GOLF

North golfers did fairly well this season and finished in third place.

After playing off a tie, East ended in first place. South, second; North, third; Manual, fourth; and West, fifth.

CHAMPIONSHIP TROPHIES

This year for the third consecutive time North won the City and State Wrestling Championships. The trophy was awarded by the Denver Public Schools Athletic League to the team winning the most points in the meet held at East. The three trophies awarded in 1939, 1940, and 1941 are symbols of North's school spirit and enthusiasm.

Patiently waiting?

Holding a high spot in the memory of every Senior is the annual class picnic. This is the time when the whole school turns out to give the Seniors a real farewell. It is everyone's Class Day and is truly representative of our good times through school.

Last year, Class Day was held at Lakeside, where everyone spent the day swimming, laughing, playing, and dancing. The roller coaster held the spotlight as an endless stream of boys and girls waited patiently for a ride.

After supper in the pavillion, the merry whin continued, and many couples could be seen dancing in the ballroom.

This year on May 27, Eats will be gay with North students who have put away their studies for a day and have donned their brightest play clothes. All in the spirit of good fun.

Just as New Year's day gives us all a chance to renew our resolutions, so Color Day gives each Viking a chance to renew his school spirit.

As its name implies, Color Day is the day when all Vikings wear the school colors. Each classroom in 1949 also wore its state of Purple and Gold, and the members of the room with the winning decorations received additional points for their class.

The Tug o' War between the Sophomores and the Juniors, the baseball game between the Juniors and the Seniors, the faculty game with the teachers opposing the students, all added up scores for the classes, and the winning class had its chance for the king and queen.

The day's festivities were ended by a dance in the gym, when everyone was proud to wear the Purple and Gold.

Junior Prom June 1, 1940

When the S. S. Viking set sail on June 1, 1940, many Juniors were on deck to see that each Senior had a hail and hearty farewell. The orchestra dedicated songs to many of the Seniors, and the highlight of the evening was the crowning of the queen, Nancy Eaton. Her attendants were: Virginia Leyda, Arlene Turner, Jean Clifford, Myra McCarthy, and Frances Love.

The Junior Prom queen and attendants.

Senior Prom

As ancient as the story of those star-crossed lovers, Romeo and Juliet, and as modern as the swing music of Gene Krupa's orchestra, was the Valentine theme of the 1941 Senior Prom.

Against a background of hearts and flowers, the 240 couples, the girls in swishing gowns, glided to and fro across the floor. The decorations, favors, and refreshments were all in keeping with the theme. Each Senior seemed to carry with him the feeling that this was his last Senior Prom—in honor of him and his classmates.

The 'D' Club Hop was a great success.

The Merry Whirl

Jack would have been a dull boy here, because the North is by no means a dull place. On the contrary, there are many social events that give variety and spirit to the school year. In addition to these formal dances are two informal dances—dinner and coffee and other informal parties.

On every Friday afternoon, however, there is a very informal dance. This is the most popular of all the dances. The first time it was held was in the year when the very first dance was held. Mr. L. H. Howard was the first to start it.
